- Distributions received from Special Surplus LIT may be deposited in any fund (IC 6-3.6-9-17(h))

ACCOUNTING PROCEDURES

- We have created, changed the names of, and eliminated some funds, receipt accounts, expenditure accounts, and object codes.
- (See excel files)

ACCOUNTING PROCEDURES

- On January 1, 2019, the school corporation is required to transfer the balance of the General fund to the Education fund
- Before March 1, 2019, the corporation can transfer a portion of the General fund balance that has not been allocated to educational expenses to the Operations fund at a public meeting and reported to IDOE
- Additional transfers may be made throughout the year from the Education fund to the Operations and from the Operations fund to the Education fund
 - Must be done at a School Board public meeting that has had public notice
 - Must report a description of the purpose for the transfer and the amount of the transfer to IDOE
- Cash flow – Need to ensure that you monitor your balances in the Education and Operations fund
 - No authority to spend funds into a negative balance

ACCOUNTING PROCEDURES CONT.

- The new chart of accounts will require an extension code after the expenditure account number to indicate the building in which the expense is associated
- Schools will include building level codes with their subsequent Form 9 submissions to IDOE. The suggestion will be to use the four digit building number that has already been assigned by IDOE

IMPACT ON AUDITS

- We expect there to be minimal impact on the auditing procedures performed.

IMPACT ON SBOA GATEWAY SUBMISSIONS

- We expect there to be no impact on Gateway Annual Financial Report.

PLAN OF ATTACK

- Include articles in the June, September, and December School Bulletins on the progress
 - Plan on including details on what funds are going to be added, deleted, and combined
- Include tables in the Best Practice section of the SBOA School website
- Update the Accounting and Uniform Compliance Guidelines Manual effective January 1, 2019
